# Obi Izuchukwu Tobechukwu

Frontend Web Developer 2/6 Sheu Sheye Street, Abaranje, Ikotun, Lagos | Postal code: 100275 | +2349030143251 | izuchukwuobi997@gmail.com

**Objective:** Seeking an entry-level web developer position where I can utilize my HTML, CSS, JavaScript, WordPress, and API skills, as well as continue learning and growing as a developer.

### **Education:**

Bachelor Degree in Computer Engineering, Ladoke Akintola University of Technology, Graduation Date: May 2021

#### Skills:

- Proficient in HTML, CSS, and JavaScript with experience creating responsive layouts for multiple screen sizes
- Experience with API integration and widget development using JavaScript
- Basic e-commerce site development using HTML, CSS, and JavaScript
- Strong attention to detail and problem-solving skills
- Excellent communication skills
- Proficiency in using WordPress, including email marketing and plugin management
- Experience with Bootstrap for responsive web design

# **Projects:**

- Portfolio Page: Developed a static website using HTML and CSS to showcase my skills and knowledge.
- Weather App: Built a weather app using the Openweathermap API to retrieve and display current weather data for a given location.
- E-commerce Site: Created a basic e-commerce site using HTML, CSS, and JavaScript to demonstrate my ability to develop functional web applications.
